## Home Group Questions - Week 4 Judgment Seat of Christ.

1. Share about a time when you received a reward from something you did at school, work, or in something else. What did you do to receive it? Do you think the reward was appropriate?
2. What do you think Heaven will be like for eternity? In the message Pastor Mike mentioned that it won't just be the location but also who will be there. Who would you like to see in Heaven?
3. Have someone read **1 Corinthians 3:12-15**. Paul describes "work" as the things Christians do in this earthly life. What work do you think God considers "valuable" and would "pass the test of the fire?" What do you think would be burned up and viewed by God as worthless?
4. What is something you would like to focus on in your life that is more valuable from an eternal perspective? What about something you would like to spend less time/energy/money/focus on?
5. Verse 14 says, "If what has been built survives, the builder will receive a reward." How does the idea of a reward in Heaven make you feel? Why?
6. Read the following passages:
  1. **Luke 12:33-34**. What jumps out to you in this passage? According to verse 34, why is God concerned with your finances?
  2. **Matthew 25:14-30**. What jumps out to you in this passage? What do you think "I will put you in charge of many things" means?
  3. **1 Peter 5:1-4**. What jumps out to you in this passage? What do you think the "crown of glory, or honor" is?
7. Maybe the rewards are something else entirely. We will see when we get there. Do you agree with Pastor Mike that just seeing our Savior's face smiling at our work might be reward enough?
8. Reflect on your work for Christ. Is there something you would like to change?

Close in prayer.
